Notice is hereby given, in pursuance of section 277 of the Town and Country Planning Act 1971, as substituted by section 1 of the Town and Country Amenities Act 1974 that Wansbeck District Council have determined that the area described in the Schedule to this notice is an area of special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance and have accordingly designated the said area as a conservation area.

The effect of the designation of the conservation area may be summarised as follows:

- (a) Where any application for planning permission for development of land in or adjacent to the conservation area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the conservation area, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971 as amended.
- (b) Anyone wishing to demolish a building or part of a building situate within the conservation area must first apply for consent to demolish to the local planning authority.
