MOD Safeguarding - SITE OUTSIDE SAFEGUARDING AREA

Proposal: Construction of a publicly accessible landmark, commissioned to commemorate Queen Elizabeth II and the Commonwealth. Land At Cold Law, Kirkwhelpington, Northumberland

Location: Land At Cold Law Kirkwhelpington,
Northumberland

Grid Reference:

392965, 585151

Planning Reference: 19/00247/FUL

Thank you for consulting Defence Infrastructure Organisation (DIO) on the above proposed development. This application relates to a site outside of Ministry of Defence safeguarding areas.

I can therefore confirm that the Ministry of Defence has no safeguarding objections to this proposal. In the interests of air safety the MOD requests that the structure is fitted with aviation warning lighting. The structure should be fitted with a minimum intensity 25 candela omni directional flashing red light or equivalent infra-red light fitted at the highest practicable point of the structure.

I trust this adequately explains our position on this matter.

Yours sincerely

Mr Michael Billings
Assistant Safeguarding Officer
