Comment Reasons:

Comment: Although I don't live in this area I visit a lot and was horrified to hear of this proposal. Our countryside is incredibly precious and in such a built up world is nowhere scared anymore? I guess not. I travel almost a hour to get to this area to enjoy the peace and tranquility of the natural and beautiful area, driving through built upon areas, fields marred with technology and to find you have plans to spoil this area as well is frankly devastating to me. I think in these times preserving this area is a far bigger tribute to the rulers of this country.
