

Northumberland Local Plan – Regulation 19 Publication Draft (January to March 2019)

Drop-in session information

Over the six week period between 30 January 2019 and 13 March 2019, comments are invited on the 'Regulation 19 Publication Draft' of the Northumberland Local Plan.

During this six week period we will be hosting a number of drop-in sessions around Northumberland. The drop-ins will include a small exhibition aimed at providing an overview of the Local Plan and staff involved in the preparing the document will be present to answer questions and provide advice on how to provide your comments. Copies of the Local Plan will also be available to view.

The dates and locations of the drop-in sessions are provided below:
