This application must be made by the relevant parish or town council wishing to apply to Northumberland County Council for the designation of a neighbourhood area. The submission of an application to the local planning authority is a requirement under The Neighbourhood Planning (General) Regulations 2012 as a pre-requisite to preparing a neighbourhood development plan or order.

A map indicating the boundary of the proposed neighbourhood area must accompany this form

Please complete the brief statement in the space below telling us why the proposed area shown on the map has been chosen as being appropriate for the purpose of neighbourhood planning.

Neighbourhood Area Designation Statement:

Ord Parish Council is applying to Northumberland County Council to seek approval for the designation of a new 'Norham and Islandshire Neighbourhood Area'. The proposed neighbourhood area comprises the whole of the administrative area of the following 7 parishes of Ord, Norham, Horncliffe, Ancroft, Shoreswood Kyoel and Duddo. The Parish Councils have notified Northumberland County Council of their intention to be re-designated as a new multi-parished area following the departure of Holy Island to become a single parish neighbourhood plan area. This new area is shown on the accompanying map. The Parish Councils consider it appropriate that this area be designated as a new multi parish neighbourhood area since it comprises the whole of the 7 civil parishes. Ord Parish Council has confirmed they will be the lead Parish for the purposes of neighbourhood planning.

I can confirm that Ord Parish Council is the lead parish and a relevant body for the purpose of neighbourhood planning in accordance with section 61G of the Town and Country Planning Act 1990.
