Dear Mr O'Brien,

**Cramlington Neighbourhood Plan**  
**Neighbourhood Planning (General) Regulations 2012: Regulation 14**  
**Consultation consideration of Homes England representations**

Further to your letter dated 19 July 2019, I can confirm that we have raised your concerns with Cramlington Town Council who confirm that the representation from Homes England to the Pre-Submission Draft Cramlington Neighbourhood Plan (dated 25 October 2018), was considered by the Town Council but was omitted from the consultation statement in error.

Regulation 15 of the Neighbourhood Planning (General) Regulations 2012 stipulates that a consultation statement must be submitted which summarises the main issues and concerns raised by the persons consulted; and describes how these issues and concerns have been considered and, where relevant, addressed in the proposed neighbourhood plan.

I attach an addendum to the Cramlington Neighbourhood Plan Consultation Statement, prepared by the Town Council, which sets out the Town Council's response to the representation made by Homes England to the Regulation 14 Consultation version of the Plan.

In light of this, should Homes England wish to amend or supplement the representation made under Regulation 16, I would ask that you respond within 10 working days of the date of this letter, i.e. by Tuesday 13 August 2019.

Yours sincerely
