Dear Mr. Collison,

Embleton Neighbourhood Plan: Examiner's Questions

Thank you for your letter seeking clarification on certain matters in relation to the ongoing examination of the Embleton Neighbourhood Plan. I can confirm that your letter received on 4 March 2020 will be posted on the County Council's website.

I have contacted the Parish Council through their Clerk and advised that we would be unable to respond to your first question regarding the proposals to designate Local Green Space on the Glebe Field. Any response providing clarification on that matter will need to come from the Parish Council.

In regard to the second matter you raise concerning local lists of non-designated heritage assets, I can advise that the County Council does not have a local list of non-designated heritage assets covering Northumberland County. Creating a local list is something the County Council intend to do as time and resources permit. We would have no objection to your suggested modification to Policy 8.

Yours sincerely

David English
Planning Manager
