Dear Mr Collison,

Reference: Letter dated 4th March 2020

Embleton Parish Council offers the following responses to the queries raised in the above letter.

1) Policies 6, 7 and 8

We can confirm that all references to the Glebe Land or Glebe Field in our Neighbourhood Plan and supporting evidence documents are for same site, and this is shown as LGS5 on the Policies Maps. For consistency in any future re-iterations of our plan this site will be known as the Glebe Land.

1) Policy 8

Northumberland County Council will respond on the issue raised as to whether they maintain a list of Non-Designated Heritage Assets, but we are happy to accept the re-wording suggested.

Yours sincerely,

Terry Howells

Chairman, Embleton Parish Council
