## 1. Introduction

On **Thursday 29 August 2024**, there will be a referendum on a neighbourhood plan for your area. This statement explains more about the referendum that is going to take place and how you can take part in it. This statement provides information about:

- The referendum and how you can take part;
- The planning system in England;
- Neighbourhood plans;
- The Neighbourhood Area.

## 2. Referendum on the Neighbourhood Plan

A referendum asks you to vote 'yes' or 'no' to a question.

For this referendum you will receive a ballot paper with this question:

***“Do you want Northumberland County Council to use the neighbourhood plan for Hauxley Parish to help decide planning applications in the neighbourhood area?”***

## 3. How do I vote in the referendum?

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper.

You should put a cross in only **one** box or your vote will not be counted.

If more people vote 'Yes' than 'No' in this referendum, then Northumberland County Council will use the Neighbourhood Plan to help decide planning applications in the Parish of Hauxley.

If more people vote 'No' than 'Yes', then planning applications will continue to be decided without using the Hauxley Neighbourhood Plan. Instead, planning applications would be decided using policies in the Northumberland Local Plan.

## 4. What is a Neighbourhood Plan?

Neighbourhood planning powers were introduced in the Localism Act in 2011. They enable local communities to play a direct role in planning the areas in which they live and work. Local communities prepare neighbourhood plans which show how they want land to be used and developed in their area. When a neighbourhood plan passes a local referendum, it will become part of the

development plan and must be used to help in making decisions on planning applications in that area.

## **5. What is the Development Plan?**

In England, decisions on planning applications are made by local planning authorities. Those decisions must be made in accordance with the development plan unless material considerations indicate otherwise. The development plan is a set of documents that contain policies for the development and use of land in a local planning authority area.

Northumberland County Council is the local planning authority for Northumberland with the exception of areas covered by the Northumberland National Park where the Northumberland National Park Authority is the local planning authority.

In Northumberland the Development Plan comprises the Northumberland Local Plan (adopted 2022) and any made Neighbourhood Plans.

## **6. Who can prepare a Neighbourhood Plan?**

Where town or parish councils exist, they are the only organisations that can start the work of preparing a neighbourhood plan.

In this case, the Neighbourhood Plan has been prepared by Hauxley Parish Council with the support of local people.

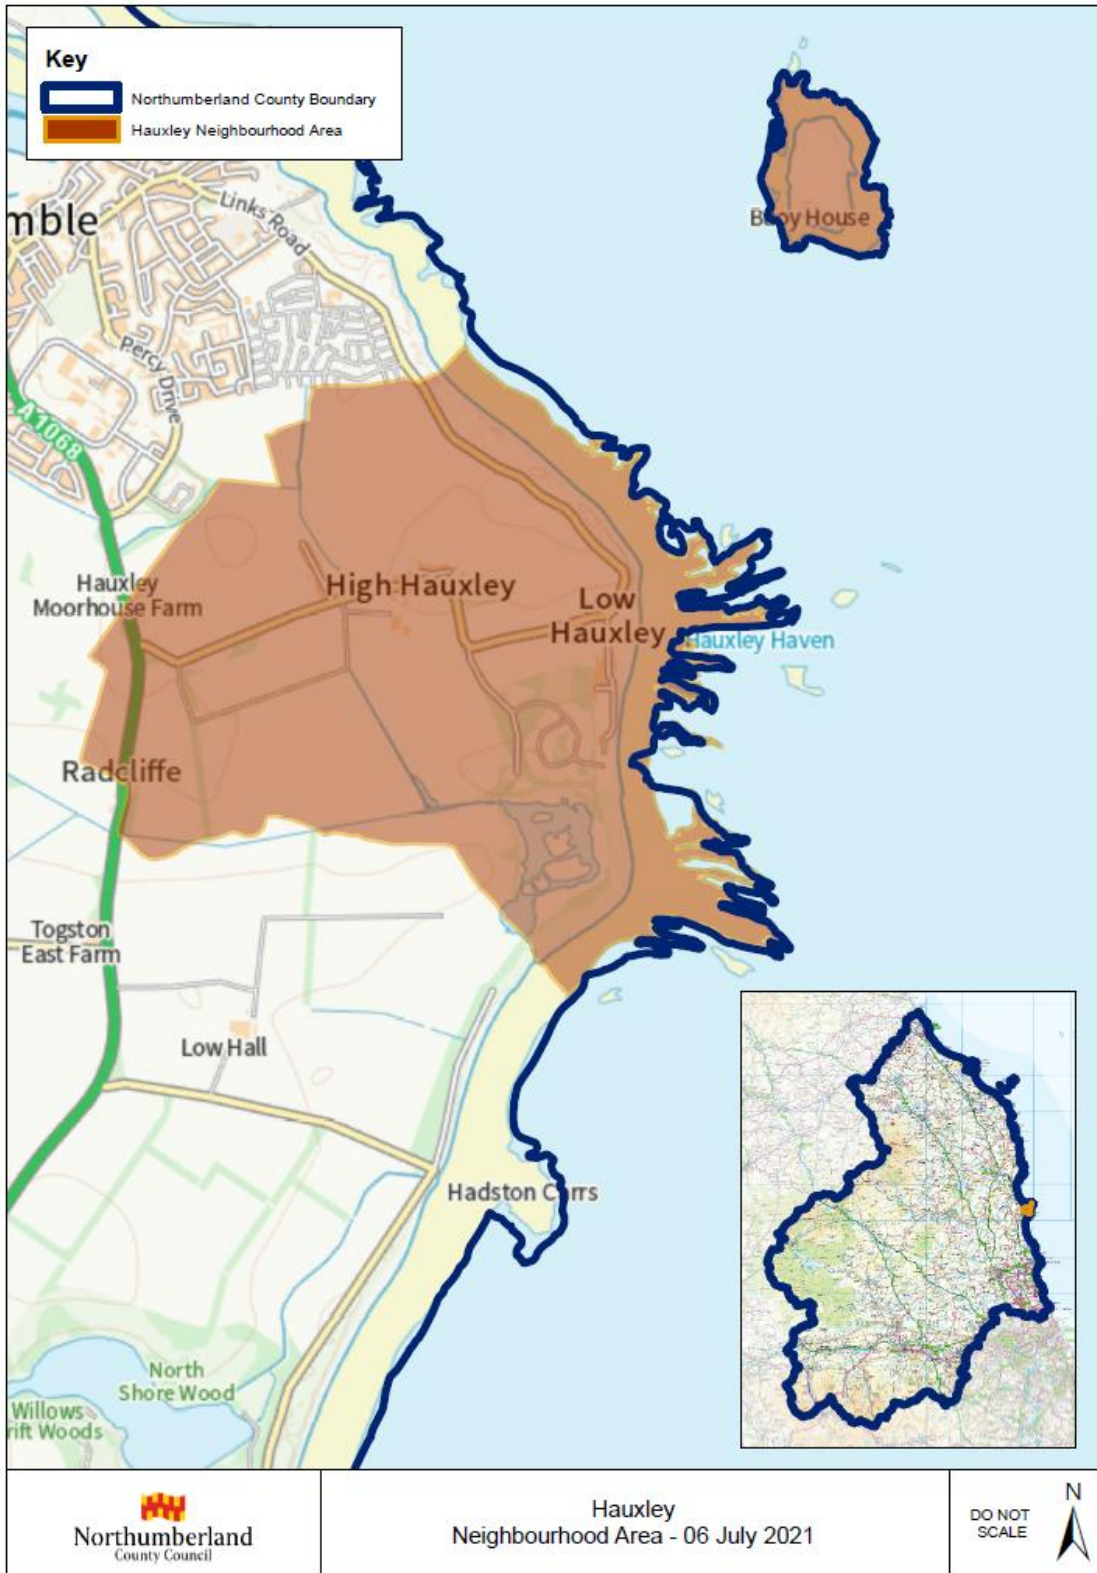

## **7. The Neighbourhood Area**

Neighbourhood plans can only be created in formally designated neighbourhood areas.

Neighbourhood areas will normally follow parish boundaries or groups of parishes.

The Referendum area is identical to the area designated as the Hauxley Neighbourhood Area and is shown on the map below.

Hauxley Neighbourhood Area
