Dear Gillian,

### **Morpeth Neighbourhood Plan**

I understand from Deanna that you have not received formal notification of our participation in the Morpeth Neighbourhood Plan. I apologise for this oversight and can confirm that Mitford is committed to this process; your letter of May 1<sup>st</sup> was discussed at our parish council meeting of May 22<sup>nd</sup> and participation was approved, subject to our cost contribution being spread over two financial years which I understand you have accepted.

Yours sincerely,

Michael Sharp  
Chairman Mitford Parish Council
