Application form for the designation of a neighbourhood area

This application must be made by the relevant parish or town council wishing to apply to Northumberland County Council for the designation of a neighbourhood area. The submission of an application to the local planning authority is a requirement under The Neighbourhood Planning (General) Regulations 2012 as a pre-requisite to preparing a neighbourhood development plan or order.

A map indicating the boundary of the proposed neighbourhood area must accompany this form.

(Please place X in box to indicate that the proposed neighbourhood area map is included)

Please give a brief statement in the space below telling us why the proposed area shown on the map has been chosen as being appropriate for the purpose of neighbourhood planning.

The area comprises the civic parishes of Bamburgh, Beadnell and N Sunderland. The three parishes, which are adjacent, share common opportunities and problems arising from their location at the heart the N Northumberland Coast Area of Outstanding Natural Beauty and of the N Northumberland coast tourism business. Residents and visitors alike regard the three parishes as a shared and common area.

The parishes are places where there is continual pressure for second homes and for holiday accommodation; they have some of the highest percentages of second homes in the country and the average price of property is almost twice that of the rest of N Northumberland.

The three parish Councils therefore believe that an integrated neighbourhood development plan covering the combined area would allow an integrated approach to setting local planning policies on matters such as:

- housing delivery, including affordable housing;
- employment and business development needs in the context of environmental and infrastructure constraints;
- protection of the environment, including protection to the built and cultural heritage.

I can confirm that North Sunderland Parish Council is a relevant body for the purpose of neighbourhood planning in accordance with section 61G of the Town and Country Planning Act 1990.

(Chair of parish council)
