

Appendix D: Data Register

Table E-1: Data Received

Data Description	Data Provider	Author	Format	Received	Date Received	Data Completeness
Northumbrian Water Draft Water Resources Management Plan (April 2008)	NWL	Northumbrian Water	pdf	✓	05/05/2008	Draft
Northumbrian Water Draft Water Resources Management Plan - Statement of Consultation (January 2009)	NWL	Northumbrian Water	pdf	✓	05/05/2008	Draft
Draft Northumbria River Basin Management Plan (December 2008)	EA	Environment Agency	pdf	✓	05/05/2008	Draft
Draft Solway Tweed River Basin Management Plan (December 2008)	EA/SEPA	Environment Agency/SEPA	pdf	✓	05/05/2008	Draft
The Till Catchment Abstraction Management Strategy (March 2008)	EA	Environment Agency	pdf	✓	05/05/2008	Full
The Tyne Catchment Abstraction Management Strategy (March 2005)	EA	Environment Agency	pdf	✓	05/05/2008	Full
The Tyne Catchment Abstraction Management Strategy Annual Update (March 2008)	EA	Environment Agency	pdf	✓	05/05/2008	Full
Northumberland Rivers Catchment Abstraction Management Strategy (September 2003)	EA	Environment Agency	pdf	✓	05/05/2008	Full
Northumberland Rivers Catchment Abstraction Management Strategy Annual Update (March 2008)	EA	Environment Agency	pdf	✓	05/05/2008	Full
Tweed Catchment Management Plan (November 2003)	TF	Tweed Forum	pdf	✓	05/05/2008	Full
Tweed Catchment Management Plan Review 2003-2005 (2005)	TF	Tweed Forum	pdf	✓	05/05/2008	Full
North East of England Plan - Regional Spatial Strategy to 2021 (July 2008)	GONE	Government Office for the North East of England	pdf	✓	05/05/2008	Full
Northumberland LDF Documents and Supporting Studies (Various)	NCC	Northumberland County Council	pdf	✓	05/05/2008	Full
The DRAFT Water Cycle Study Manual - Guidance on How to Carry Out a Water Cycle Study (2008)	EA	Environment Agency	pdf	✓	05/05/2008	Full
STW and Water Treatment Works locations	NWL	Northumbrian Water Limited	ArcGIS/MapInfo			
STW flow and quality consents, treatment type and spare capacity details	NWL	Northumbrian Water Limited	Word,Excel			
Confirmation of the Water Resource Zones and Water Supply Zones supplying Northumberland area	NWL	Northumbrian Water Limited	Word,Excel			
Any known problem locations for the existing sewer and water network	NWL	Northumbrian Water Limited	Word,Excel			
WWTW Drainage Areas	NWL	Northumbrian Water Limited	ArcGIS/MapInfo			
Confirmation of the site allocations/development areas being considered for each town/growth area and hence to be assessed in the WCS				✓	11/06/2009	Full
Core Strategies for Blyth Valley, Alnwick and Tynedale were completed and breakdown development for each area further than RSS. http://www.northumberland.gov.uk/default.aspx?page=1579#NorthumberlandConsolidatedPlanningPolicyFramework				✓	11/06/2009	Full
Core Strategies for Castle Morpeth and Berwick reached Preferred Option/Submission stage. These documents may provide a rough guide as to where future growth 'may' be directed. The adopted plans for Morpeth and Berwick are out of date. The Berwick AAP which is being prepared may help with potential planned growth in Berwick.	NCC	Northumberland County Council	Word,Excel	✓	11/06/2009	Draft
Former Wansbeck district only recently adopted their Local Plan so this plan is up-to-date. This will have a breakdown of housing figures for future growth over the plan period. http://www.northumberland.gov.uk/default.aspx?page=1579#NorthumberlandConsolidatedPlanningPolicyFramework				✓	11/06/2009	Full
No SHLAA sites and/or strategic allocations/options at this stage. Only Growth point Areas can be provided at this point in time and must be included as potential strategic allocations.				✓	11/06/2009	
Anticipated growth figures for each town/growth area including initial phasing proposals (where available). Also, Housing Completions 2004 to present.	NCC	Northumberland County Council	Word,Excel	✓	11/06/2009 & 19/06/09	Full
See above.						
GIS layers for LDF preferred option/allocation sites and/or development/growth areas, infill development locations, committed development, employment areas, Area Action Plan boundaries etc.	NCC	Northumberland County Council	ArcGIS/MapInfo			NCC will not have LDF GIS layers available at present but if they have AAP boundary it would be useful.

Data Description	Data Provider	Author	Format	Received	Date Received	Data Completeness
Ordnance Survey Mapping of Northumberland Study Area - 1:250,000, 1:50,000 and 1:10,000 Scale	NCC	Ordnance Survey	MapInfo, TIF	✓	22/06/2009	Full
List and map of non designated wildlife sites including short description/citation	NE	Natural England	Word,Excel, MapInfo,ArcGIS	✓	28/05/2009	Full
Raw Water Abstraction License and limits including Locations	EA	Environment Agency	Word,Excel	✓	11/06/2009	Full
GIS Layer of Detailed River Network (DRN) for Northumberland Study Area	EA	Environment Agency	ArcGIS/MapInfo			
SFRAs - All previously completed SFRAs (draft or final)	NCC	Northumberland County Council	Word,pdf	✓	Various May 2009	Draft/Full
Minerals and Waste SFRA - In House Level 1 completed by NCC	NCC	Northumberland County Council	Word,pdf	✓	11/06/2009	Draft
BGS 50k Maps - Solid/superficially and drift geology maps	BGS	British Geological Survey	ArcGIS/MapInfo			
BGS 50k Permeability Maps - To help ID suitability of SuDS and potentially ID GW Flooding	BGS	British Geological Survey	ArcGIS/MapInfo			
EA Groundwater Vulnerability Map - To help ID suitability of SuDS and potentially ID GW Flooding	EA	Environment Agency	ArcGIS/MapInfo	✓	22/06/2009	
EA Flood Zone Maps - County wide FZ maps - latest incarnation	NCC/EA	Northumberland County Council/Environment Agency	ArcGIS/MapInfo	✓	03/08/2009	
EA Modelled Flood Outlines - 1:20yr/1:25yr 1:100yr, 1:1000yr + Climate Change Runs for modelled rivers	EA	Environment Agency	ArcGIS/MapInfo	✓	17/06/2009	Full
EA Coastal Inundation Mapping - 1:20yr/1:25yr 1:100yr, 1:1000yr + Climate Change Runs for modelled areas	EA	Environment Agency	ArcGIS/MapInfo		17/06/2009	EA do not have this - suggest contact NCC for tidal and fluvial flood maps
EA ABD Maps - Areas Benefitting from Defences outlines	EA	Environment Agency	ArcGIS/MapInfo	✓	17/06/2009	Full
Updated historical flooding maps in GIS format	EA/NCC	Environment Agency/Northumberland County Council	ArcGIS/MapInfo			
GIS outputs for NFCDD for County to identify defences and assess SOP	EA	Environment Agency	ArcGIS/MapInfo	✓	17/06/2009	Full
Areas Susceptible to Surface Water Flooding Maps (Latest update)	EA	Environment Agency	ArcGIS/MapInfo	x	17/06/2009	EA cannot disclose this data
Historical Sewer and Drainage Flooding - To Identify where historical "hot spots" of flooding have occurred- DG5 data	NWL/NCC	Northumbrian Water Limited/Northumberland County Council	ArcGIS/MapInfo	✓	10/08/2009	Some DG5 data provided
Predictive Sewer and Drainage Flooding - Areas where flooding could occur due to capacity issues and climate change	NWL/NCC	Northumbrian Water Limited/Northumberland County Council	ArcGIS/MapInfo	x		
Other flooding issues - To identify a potential source of flooding	NCC/EA	Northumberland County Council/Environment Agency	ArcGIS/MapInfo			
Canals - To identify a potential source of flooding	NCC/BW	Northumberland County Council/British Waterways	ArcGIS/MapInfo			
Flood Warning Areas - To identify areas that receive a flood warning	EA	Environment Agency	ArcGIS/MapInfo	✓	18/06/2009	
Urban Area GIS layers for whole County	NCC	Northumberland County Council	ArcGIS/MapInfo			
Main Transport Routes - Main roads, rail, airports etc - ID where critical transport links may be affected by flooding	NCC	Northumberland County Council	ArcGIS/MapInfo			
County Boundary/District Boundaries (former)	NCC	Northumberland County Council	ArcGIS/MapInfo	✓	19/06/2009	Full
Northumberland Annual Monitoring Report - December 2008	NCC	Former LPAs of new Northumberland Unitary Authority	pdf	✓	11/06/2009	Full
Berwick and Blyth SFRA GIS layers	NCC	Former councils of Berwick and Blyth	ArcGIS/MapInfo			
Northumberland National Park Boundary	NCC	Northumberland County Council	ArcGIS/MapInfo
