Application form for the designation of a neighbourhood area

This application must be made by the relevant parish or town council wishing to apply to Northumberland County Council for the designation of a neighbourhood area. The submission of an application to the local planning authority is a requirement under The Neighbourhood Planning (General) Regulations 2012 as a pre-requisite to preparing a neighbourhood development plan or order.

A map indicating the boundary of the proposed neighbourhood area must accompany this form.

(Please place X in box to indicate that the proposed neighbourhood area map is included)

☐

Please give a brief statement in the space below telling us why the proposed area shown on the map has been chosen as being appropriate for the purpose of neighbourhood planning.

Tillside Parish Council set up a sub group to research the viability of developing a Neighbourhood Plan. Amongst other things, the geographical area was considered at some length – especially whether surrounding areas of Tillside may be included, or whether a smaller area within the Parish may be appropriate. But the clear view was that the Tillside Parish boundary was the most logical for commonality of planning, interests, representation and administration. This decision was endorsed by the full Tillside Parish Council, and subsequently supported by the newly formed Neighbourhood Plan Steering group).

I can confirm that (insert name of parish or town council) is a relevant body for the purpose of neighbourhood planning in accordance with section 61G of the Town and Country Planning Act 1990.

Signed

(Chair of parish or town council)
