Paragraph 3 should be completed in full to clearly explain the capacity of each applicant e.g. trustee, landowner's managing agent, executor.*

6. *Where the application relates to more than one parcel of land, a description of each parcel should be included in Paragraph 4 of Part A and the remainder of the form should be completed to clearly identify which statement and/or declaration relates to which parcel of land. Any accompanying map must be an ordnance map at a scale of not less than 1:10,560 showing the boundary of the land to which the application relates in coloured edging.*

In practice, the appropriate council and commons registration authority will usually be the same body.

PART D: Statement under section 15A(1) of the Commons Act 2006

Northumbria Healthcare NHS Foundation Trust is the owner of the land described in paragraph 4 of Part A of this form and shown edged red on the plan (marked Plan 1) accompanying this statement ("the Property").

Northumbria Healthcare NHS Foundation Trust wishes to bring to an end any period during which persons may have indulged as of right in lawful sports and pastimes on the whole or any part of the land shown edged and hatched red on the accompanying plan (marked Plan 2) ("the Open Land").

PART E: Additional information relevant to the application
(insert any additional information relevant to the application)

I have worked at the Northumbria Healthcare NHS Foundation Trust since April 2012. In my capacity as the Executive Director of Estates and Facilities, I wish to make the following statement:

1. The Property shown edged red on Plan 1 was conveyed to Northumbria Healthcare NHS Foundation Trust by a Transfer Deed dated 30 November 2000 and made between (1) the Secretary of State for Health and (2) Northumbria Healthcare NHS Trust.

2. By the Authorisation dated 1 August 2006 creating Northumbria Healthcare NHS Foundation Trust the Property became vested in Northumbria Healthcare NHS Foundation Trust.

3. Prior to the Transfer dated 30 November 2000, the Property has for a significant length of time been used for the provision of healthcare services:

(a) parts of the land comprising the Property were acquired for Morpeth Cottage Hospital in the 1930s pursuant to two Conveyances, one dated 13 May 1931 between (1) The Rev Canon JJ Davies and others and (2) The Trustees of the Morpeth Cottage Hospital and District Nursing Association and the other dated 20 December 1939 and made between (1) NI Wright WS Sanderson and R Elliott and (2) Morpeth Cottage Hospital

(b) parts of the land comprising the Property were acquired by the Minister of Health in 1951 pursuant to two conveyances, one dated 20 August 1951 between (1) J Hood and (2) The Minister of Health and the other dated 8 September 1951 between (1) The Rev Canon F Baker and others and (2) The Minister of Health.

(c) the remaining part of the land comprising the Property was acquired by the Secretary of State for Social Services in 1972 pursuant to a Conveyance dated 10 November 1972 between (1) British Railways Board and (2) Secretary of State for Social Services

4. To my knowledge, the Open Land shown edged and hatched red on Plan 2 is not used by a significant number of the local residents. However I am aware that approximately three of the neighbouring properties have gates that abut the boundary of the Property and therefore may have tried to access the Open Land. I am not aware of anyone else who has come onto the Open Land to use it for any kind of sport or other recreational purposes. The Northumbria Healthcare NHS Foundation Trust has therefore made this application to bring to an end the period (if any) that rights of sport, leisure or pastime that any local inhabitants may have over the Open Land.

5. I depose as above of my own knowledge as an employee of the Northumbria Healthcare NHS Foundation Trust.
