Dear Sirs

Highways Act 1980

No 4 Broomley + stocksfield.

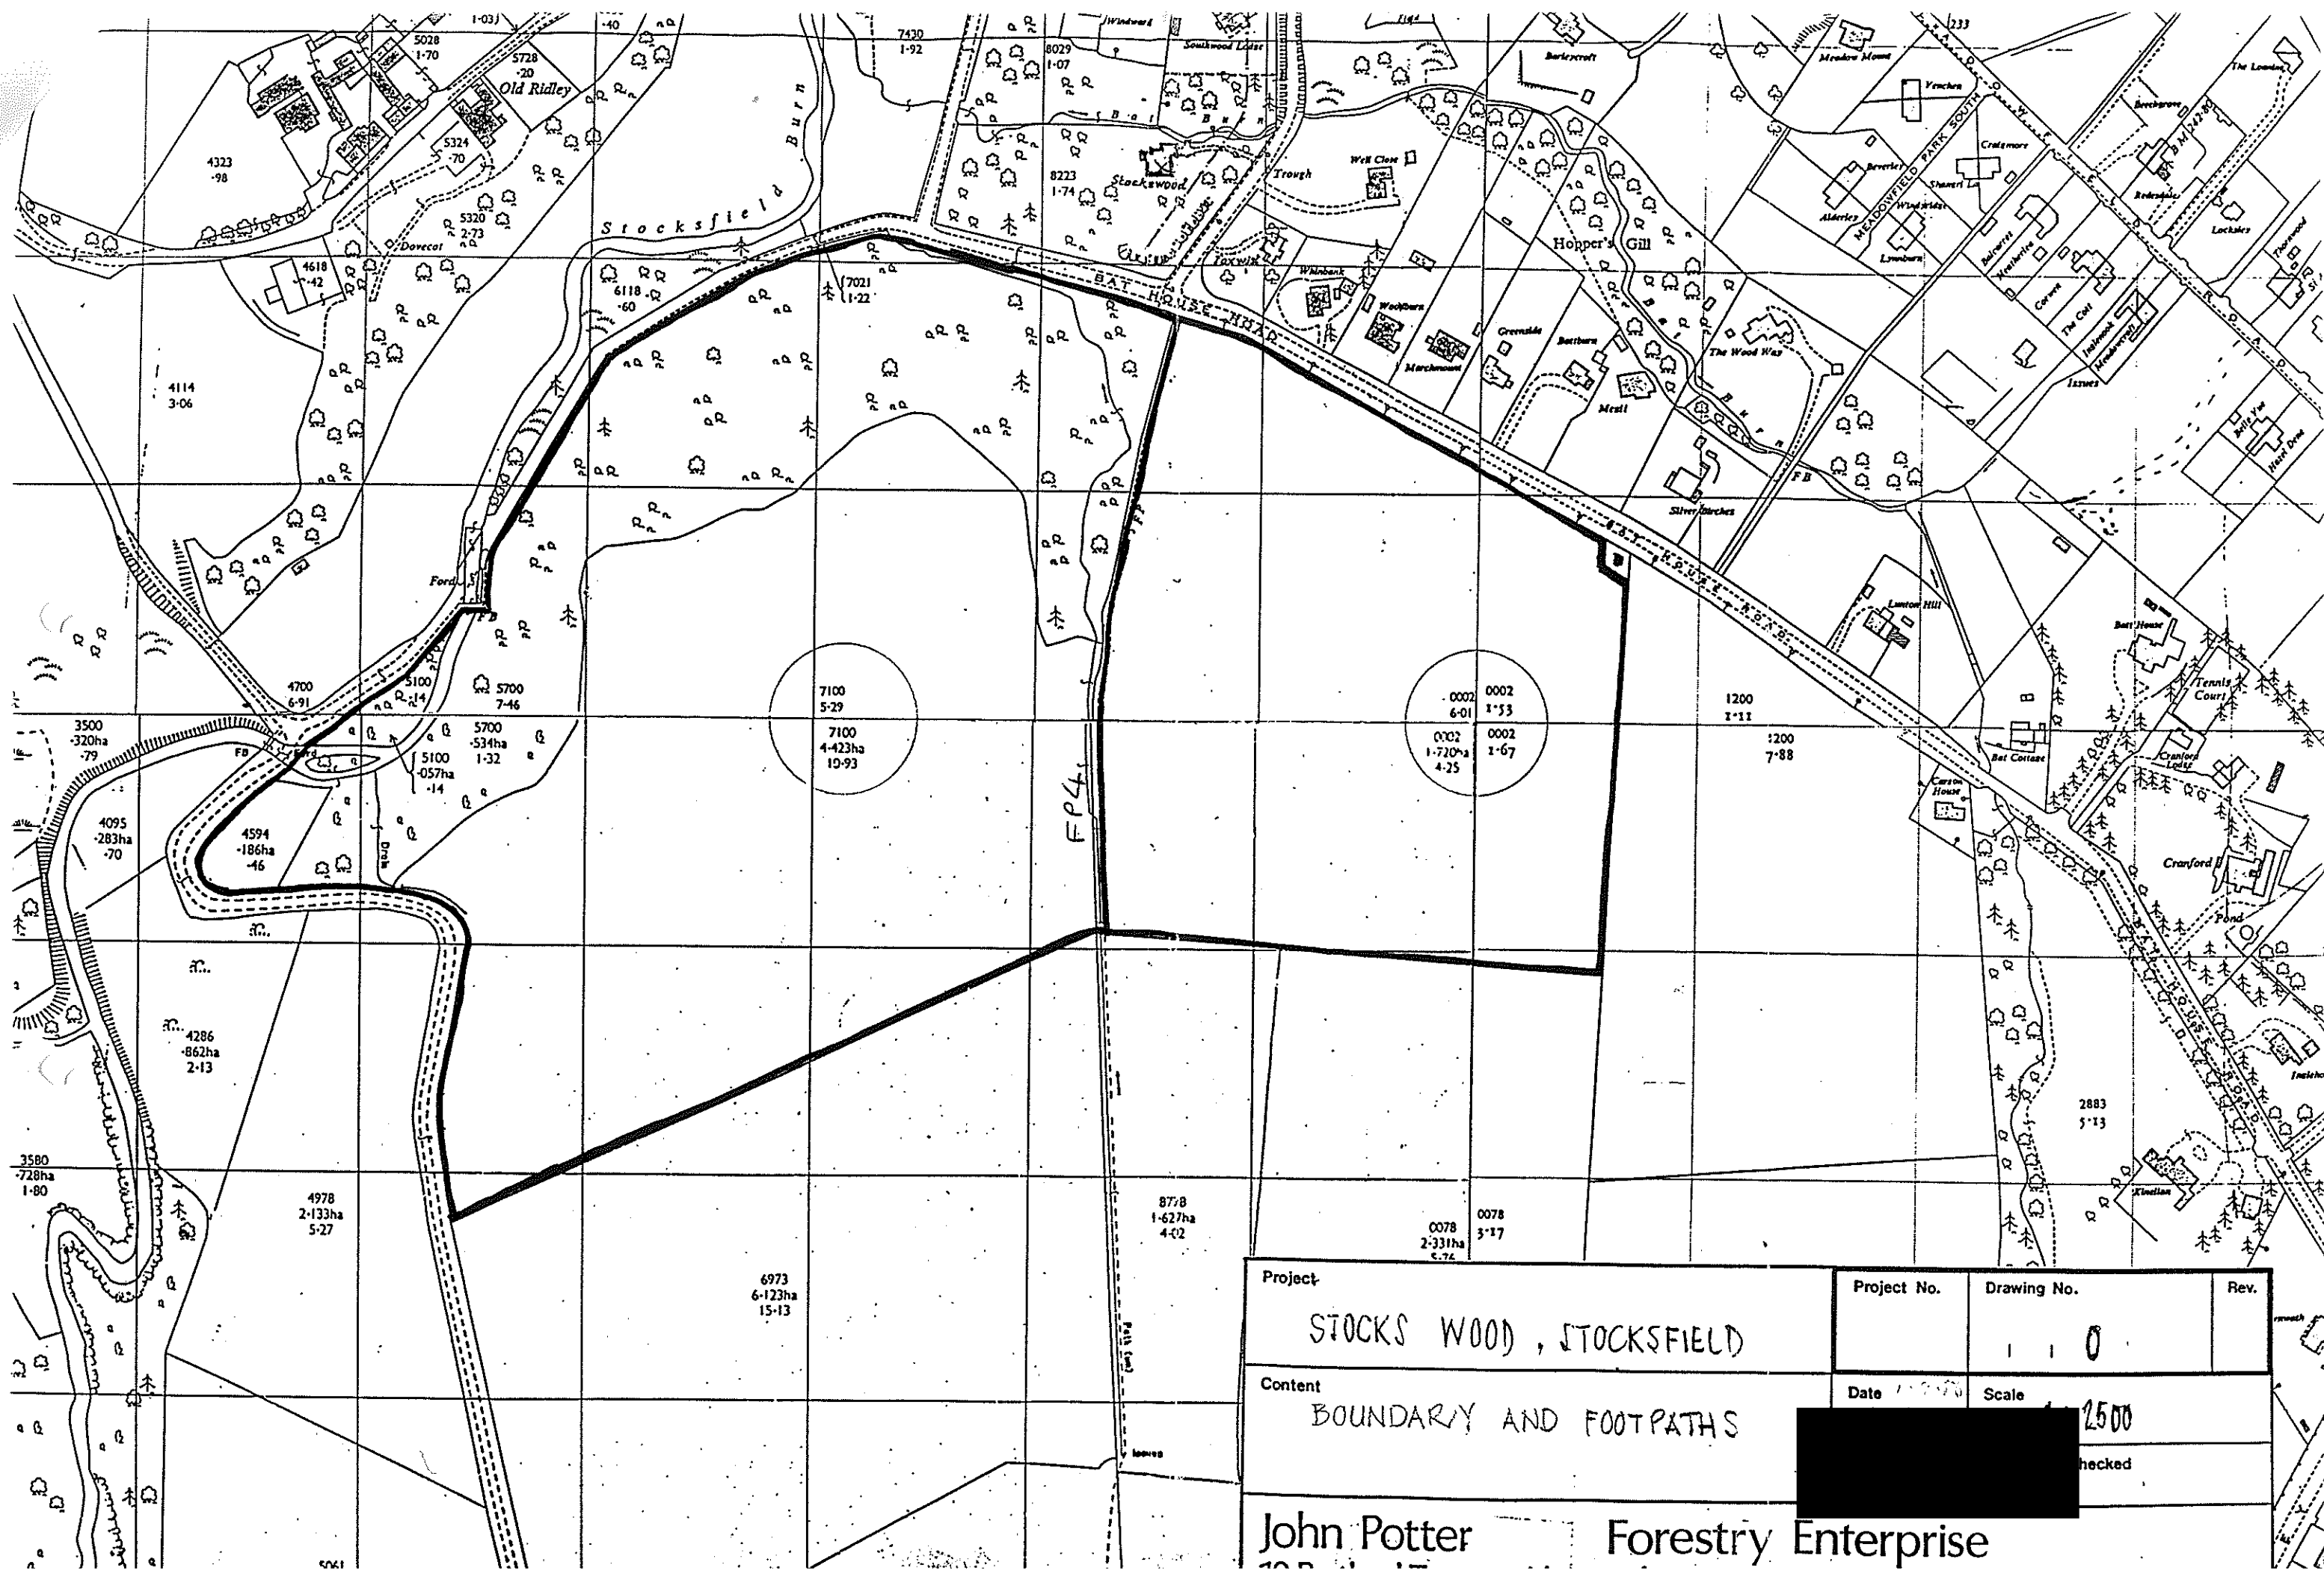

In 1986 I purchased the freehold of land at Stocksfield in the county of Northumberland shown edged blue on the attached map.

In accordance with section 31(6) of the Highways Act 1980 I hereby declare that the footpath shown coloured green on the attached plan is a public footpath and is so indicated by sign posts. I further declare that no other path or way over the land has been dedicated to the public since I purchased the land.

I should be grateful if you would acknowledge receipt of this declaration and confirm that the Definitive Map for the area correctly indicates the footpath shown on the attached map.

Yours faithfully
