

BEDLINGTON

ACTIVE TRAVEL CORRIDOR

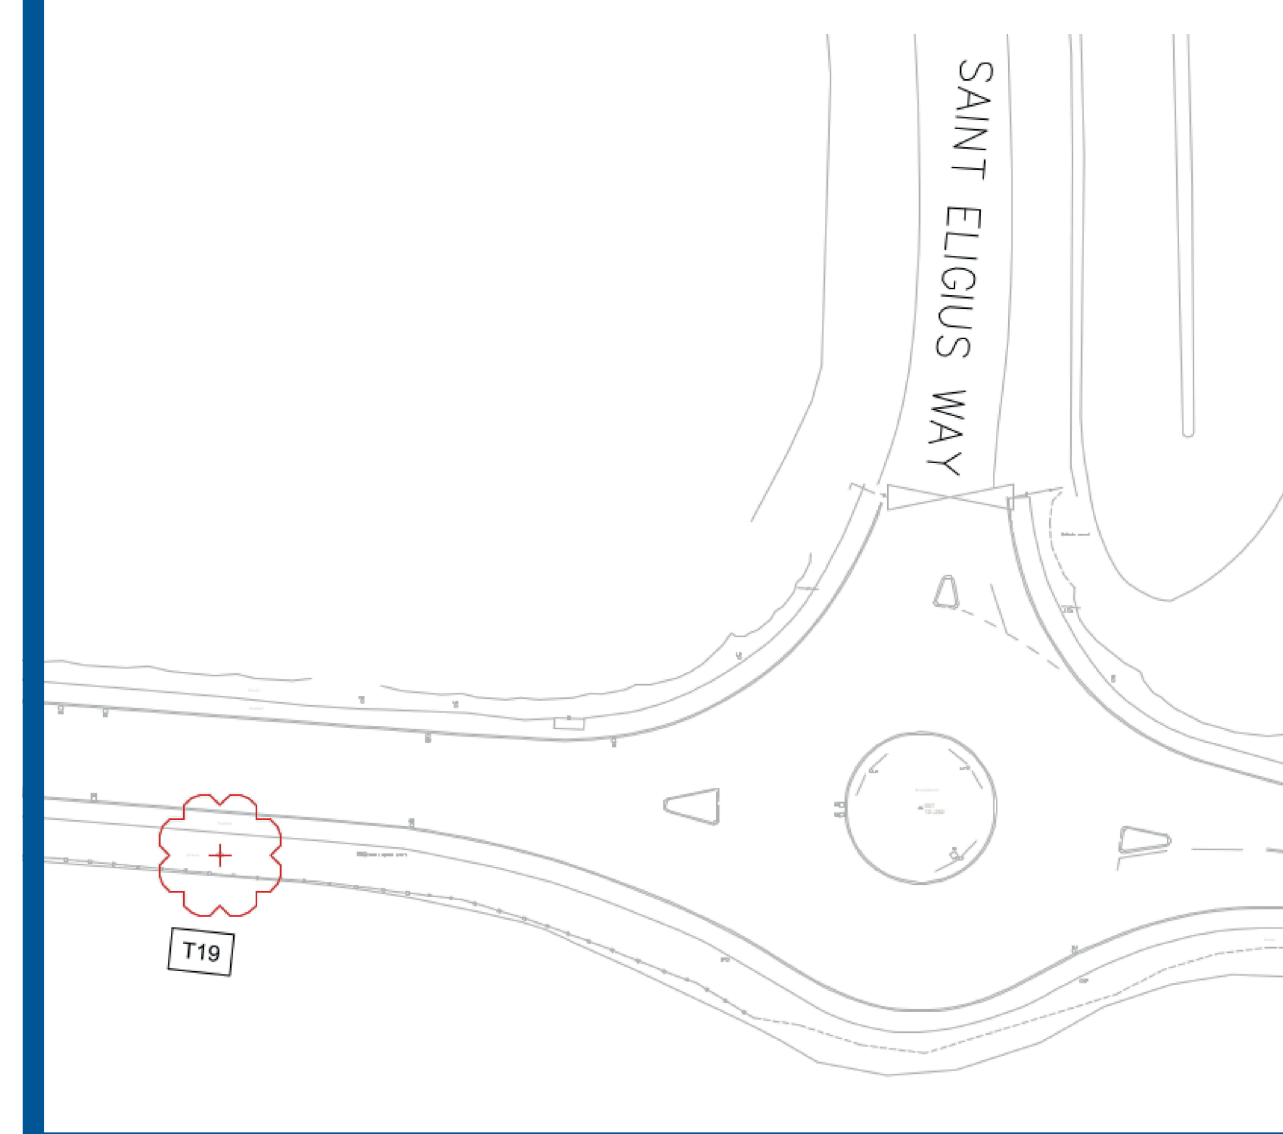

Tree removal

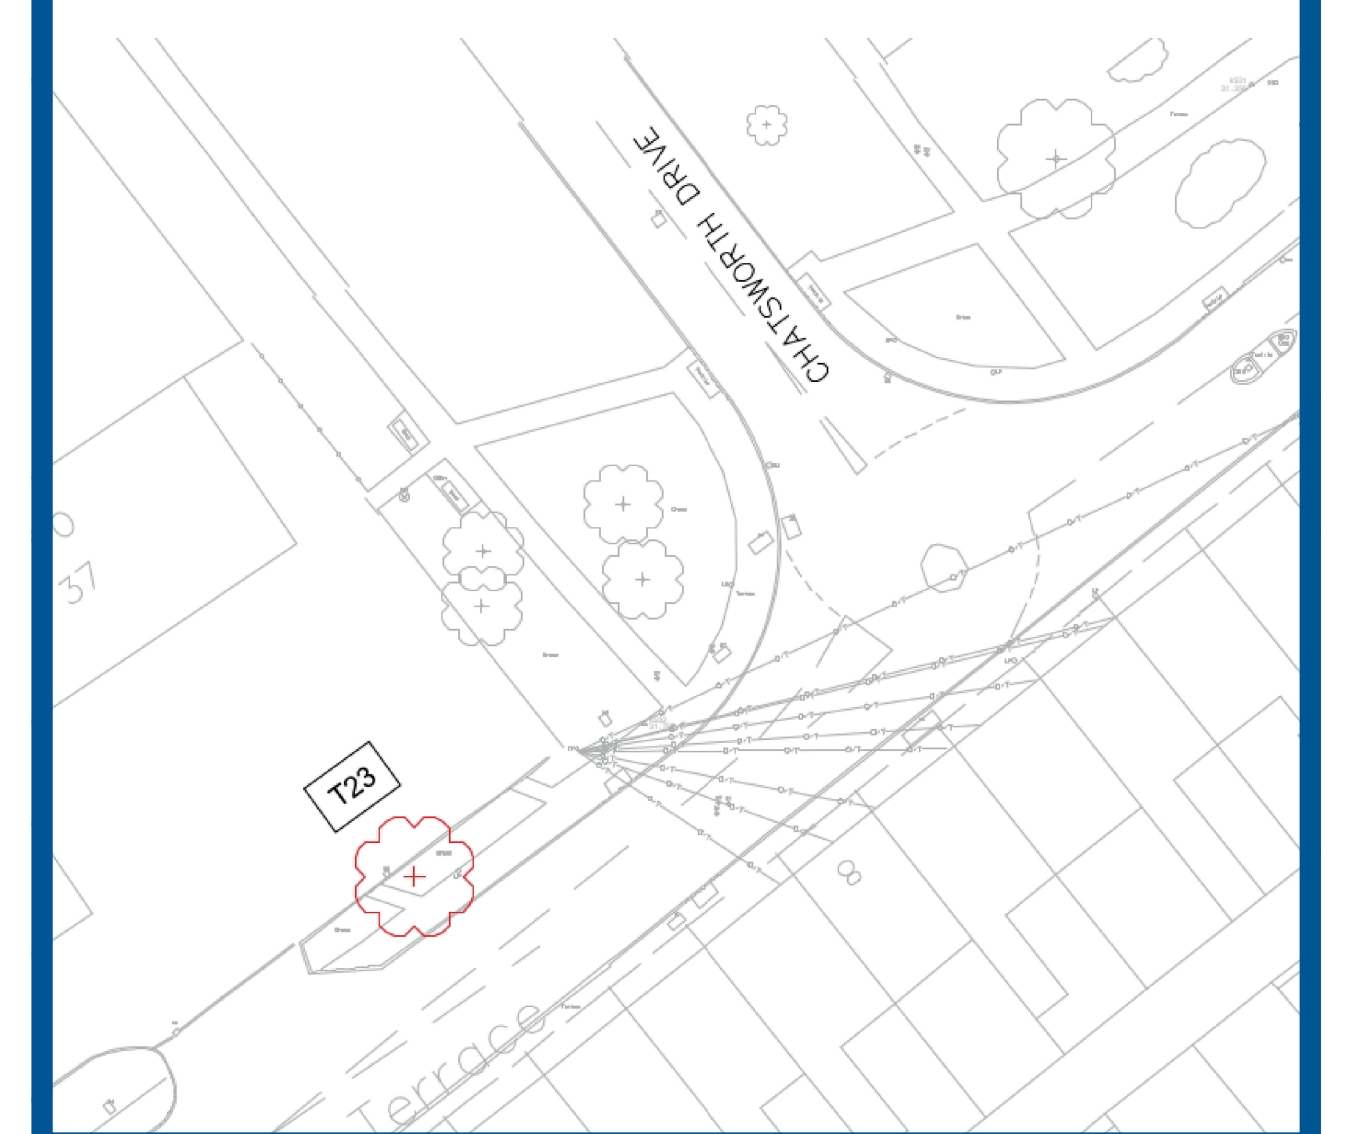

Two trees in northern verge of B1331, just east of Glassey Terrace, are to be removed to accommodate widened shared route. Design team has determined that there is no alternative solution.

Single tree in southern verge, south-west of Saint Eligius Way roundabout, to be removed to accommodate shared route. Design team has determined there no alternative solution.

Single tree in northern verge, adjacent to the Shell Garage on Station Road, to be removed to accommodate shared route. Design team has determined there no alternative solution.

Duty to Consult

The duty to consult on felling street trees 'Duty to Consult' has been introduced to ensure local people can express their views on the proposals. The consultation comprises of: notices on trees, an online consultation, opportunity to feedback your views. The duty will ensure the decision-making process is more transparent and considers residents views. Compensatory tree planting to be agreed at later date.
