Dear Sir/Madam

**Allison's Yard, Coronation Street, Lorne Terrace, West View and Woodhorn Lane Newbiggin by the Sea.
Canvass Letter - Information/Opinion Feedback on Parking Issues**

County Councillor Simpson has requested we write to the residents of the above locations, in response to parking concerns expressed to her by constituents in this area.

At this stage, I would welcome information and feedback directly from the residents of this location, to enable NCC Officers to assess the issues in more detail and implement any necessary changes to the parking restrictions in the area, where practical and within the resources available.

A freepost response form is enclosed for you to return your views, or you can email them to HighwaysProgramme@northumberland.gov.uk

I would welcome a reply by **Friday 27th November 2020**. If you wish to respond to this canvass online, please visit the web address <http://trafficconsult.northumberland.gov.uk/>.

I would urge you to take the opportunity to comment on this important matter as any decision taken will be based upon the responses received from residents who take time to return the feedback form.

Yours faithfully
