### **Background**

There has been an ongoing problem with parking on the approach road to Allendale Primary School. This has been reported to Councillor Horncastle and the Parish Council, by residents in the area. Indiscriminate parking has made it difficult for both pedestrians and other road users, especially as the parked cars reduce visibility on the approach to the school, especially a peak times. The following photo provides the current layout of the area of concern.

Following discussions between NCC Officers, Councillor Horncastle and the Allendale Parish Council, it has been decided to introduce:

- a. No Waiting At Any Time (Double Yellow Lines),
- b. No Waiting Monday to Friday 8am to 9:30am and 3pm to 4pm (Single Yellow Lines). This was amended following further recommendations from the Parish Council, thereby maximising restrictions during peak school times and allowing parking during off-peak times.
- c. No Stopping Restriction Monday to Friday 8am to 5pm (Yellow Zig-Zag Lines).

Details of the proposals are shown on the plan in Appendix A.

Northumbria Police, other emergency services and relevant statutory consultees will be notified of these amendments as part of the process for making the Orders.
