Key Issues

1. Concerns were raised by the local community about the increased speed of traffic in the village and the difficulty in exiting from junctions on West Road Belford.

Delegated Decision

Background

A 20 MPH speed limits is currently being introduced on West Road, Belford. This scheme is part of the County Council's road safety initiative to introduce 20 MPH speed limits adjacent to all schools in Northumberland.

The introduction of No Waiting Restrictions (No Waiting - At Any Time - Double Yellow Lines) on West Road (and adjacent junctions), is aimed to provide greater visibility at key junctions on West Road.

These new restrictions coupled with the 20 MPH speed limit, will allow traffic to exit these junctions more safely.

Concerns were raised on both issues by the local community, to both the County Councillor for the area and the Parish Council.

Northumbria Police, other emergency services and relevant statutory consultees were notified of these amendments as part of the process for making the permanent Orders.

Consultation took place between NCC Officers, local County Councillor and Parish Council, who fully supported the proposals.
