#### **Paul Jones**

### Proposed Parking Restrictions, U9553 Bassington Avenue, Cramlington

#### 18th September 2018

**Cabinet Member: Councillor Glen Sanderson** 

#### **Purpose of Report**

To consider the introduction of parking restrictions on Bassington Avenue, Cramlington.

#### Recommendations

Taking into account comments made during the consultation process, it is recommended that the following restrictions are introduced on Bassington Avenue, Cramlington:

No Waiting at Any Time restrictions (Double yellow Lines), No Waiting between 08:00 - 18:00 restrictions (Single Yellow Lines) and HGV directional signage with a change to the junction priority.

#### Link to Corporate Plan

Living - "We want you to feel safe, healthy and cared for" Enjoying - "We want you to love where you live"

#### **Key Issues**

- Residents have raised safety concerns for both pedestrians and motorists caused by parked cars on Bassington Avenue, Cramlington.
- 2. The scheme is to be funded by Councillor Flux, through his Members Local Improvement Allowance.

#### **Background**

- Residents contacted their local Ward member with concerns regarding safety issues for both pedestrians and motorists caused by parked cars on Bassington Avenue, Cramlington.
- 2. Indiscriminate parking on the road is making it difficult for residents to negotiate this road safely.
- 3. After meeting with Councillor Flux, officers proposed that "No Waiting at Any Time" restrictions be introduced in order to alleviate these concerns.
- A consultation letter was sent to 28 statutory consultees on the proposed parking restrictions. A copy of the consultation letter and plan are attached in Appendix A.
- 5 responses were received as a result of the consultation letter, with 4 in favour 0 against and 1 neither for nor against the proposal. A summary of the responses is attached as Appendix B.
- 6. A number of consultees recommended that HGV's should use a different route, so they do not come past the new housing estate and also that timed parking restrictions (single yellow lines) be introduced to allow residents to park in the evening on Bassington Avenue. This has been included in the scheme.
- 7. The results of the consultation were discussed with Councillor Flux, who agreed that the consultees' suggestions should be taken into account and the restrictions be revised as shown on the attached plan Appendix C.
- 8. The scheme is supported by Councillor Flux and funded through his Members' Local Improvement Allocation.

Dear Sir/Madam

Proposed Parking Restrictions, Bassington Avenue, Cramlington

Road users have raised concerns with the Police, Cramlington Town Council and County Councillor Flux, regarding vehicles being parked on Bassington Avenue causing safety issues for both pedestrians and motorists. Councillor Flux has therefore requested that "No Waiting at Any Time" restrictions be introduced at this location in order to alleviate these concerns.

I am therefore writing in accordance with Regulation 5 of the Local Authorities Traffic Orders (Procedure) (England and Wales) Regulations 1996 (as smended) to formally ask for your comments on the proposal to introduce No Waiting At Any Time Restrictions on U9553 Bassington Avenue, Cramlington as shown on the attached plan.

If you have any comments or observations regarding this proposal please can you email or write to Highways Programme, County Hall, Morpeth NE61 2EF bafors the 201 July 2018

Yours faithfully

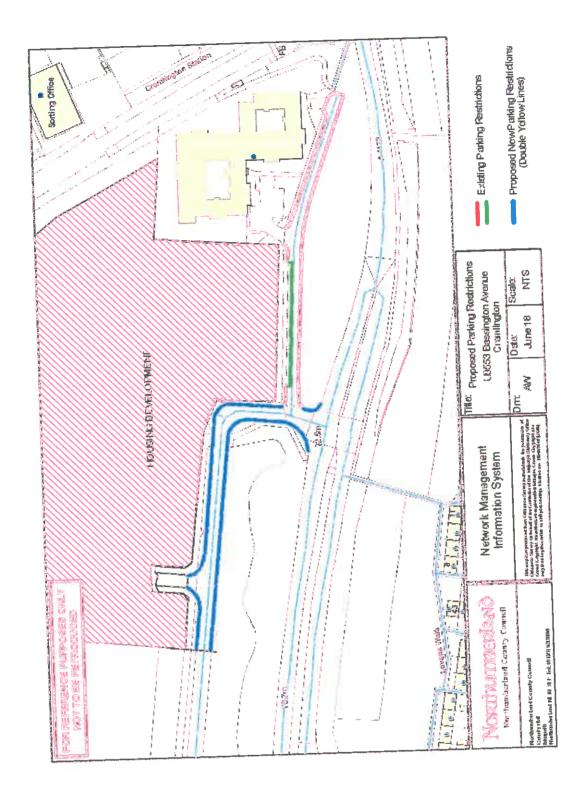

Andy Walker

Technical Assistant (Members Small Schemes)

			I'm writing you regarding the document shared by Barry Flux "Proposed parking restrictions Bessington Avenue. Cramington". Hive in Bessington Menor housing development and I'm very happy with the proposal of double yellow line at Bessington Avenue. With our development built the traffic of that road is quite constant and it has become a problem for the neighbours to get all the cars of commuters taking the train and leaving them all day parked. The road has been converted into a single line road and its aspecially werrying when we have heavy vahicles cars it due to the industrial estate. In regard with the area that is restricted perking right now heavt to the Care Home (green fine in the chart), I really don't understand the dastriction because there is no way to track if a vehicle has been parked for more than 4 hours. I think it will be good to have that area as parking parmit only for the neighbours of Bassington Manor and also visitors/workers of the Care Home. Sut that all day because commuters will use it as a train station parking and people that visit he problem will be that care will be parked only wanted to express my thoughts about the plan as a neighbour of that area.
