Background

Following concerns raised by local residents via their Local County Councillor and Stocksfield Parish Council, a number of road safety issues have been highlighted, including poor visibility at junctions and indiscriminate parking.

A695 Main Road Stocksfield Eastbound at The Pastures Junction

These concerns were raised with NCC Officers during the preparation of another LTP Scheme - A695 Broomley First School. There appears to be a history of indiscriminate parking at the junction of The Pastures and A695 Main Road Stocksfield, especially at peak times for the adjacent Broomley School.

It is anticipated that the proposed introduction of No Waiting At Any Time restriction (double yellow line) will go some way to reduce these road safety concerns.

A695 Main Road Westbound approaching The Pastures

Full details of the new restrictions are shown on the plan in Appendix A.

Notification of these changes will be advertised as part of the legal process of making this Permanent Traffic Regulation Order.

Northumbria Police, other emergency services and relevant statutory consultees will be notified of this new Traffic Regulation Order.
