#### **Key Issues**

The County Council has received concerns from residents of Albert Road - See Appendix A, about parked cars obstructing sightlines and access to properties, and also obstructing the cycle track that runs through the area.

### **Purpose of Addendum**

Following the legal advertisement for the implementation of the Traffic Regulation Order to enforce these restrictions on Albert Road i.e. Waiting and Loading Restrictions (Double Yellow Lines and Kerb Blips - See Appendix A), The Council received in excess of 50 objections and comments.

Once the advertising period had been completed NCC Officers assessed the comments and observations in detail and reviewed the original decision.

Following this review, it is recommended that the proposed restrictions for Albert Road Seaton Sluice shall not proceed. However, this area will be continued to be monitored on site via Parking Services Enforcement Officers.  
- See Appendix B

This recommendation is endorsed by the local ward member who has confirmed that she does not support the extension of the double yellow lines.

The proposed 'No Waiting at Any Time' (double yellow lines) parking restrictions in A193 Beresford Road/Collywell Bay Road shall proceed as per the original decision. - See Appendix C
