### Background

Heather Lea is a cul-de-sac road adjoining the A193 Front Street which runs through Bebside and is situated opposite popular local shops. It is primarily residential in nature and is currently derestricted in terms of parking restrictions.

Concerns have been raised regarding vehicles parking at this junction, which presents road safety issues for those navigating through the route, such as limited visibility and obstructing the movement of traffic.

As a result, 'No Waiting at Any Time' restrictions are proposed to be introduced in order to alleviate these concerns. Details of the proposals are shown in Appendix A. They are intended to increase road safety, maintain the free flow of traffic where possible and to protect the amenity of the area overall. Northumbria Police, other emergency services and relevant statutory consultees will be notified of these amendments as part of the process for making the permanent Orders.
