Background

1. The County Council has received concerns via the local ward Member about roadside parking on the bend in Lisburn Terrace.
2. Vehicles parked in this area affect forward visibility to the extent that motorists cannot see oncoming motorists, resulting in potential 'head-on' collisions and the need for vehicles to reverse.
3. Residents and statutory consultees were therefore consulted on a proposal to extend the existing double yellow lines to include the bend, as shown on the consultation plan in Appendix A.
4. Only one response was received from an affected resident. The response was in favour of the proposal(see Appendix B).
5. The local ward Member supports the proposal.
6. It is therefore recommended that the proposed extension of the 'No Waiting at Any Time' parking restrictions should be implemented.

Consultation Responses

F O R	A G A I N S T	N E I T H E R	Other Relevant Comments
1			We are the occupiers of X, Lisburn Terrace, we fully approve of this proposal, both in the interest of public safety and personal safety as at present it is lethal trying to gain access to our property to park. It is a blind corner and traffic is generally moving too fast and unwilling to give way at all. Perhaps a lower speed limit in this very built up area which is also the main thoroughfare the town for much of the heavy traffic would also be of help.
