Background

The introduction of speed limit changes on the streets adjacent to Bedlington Whitley Memorial Church of England Primary School forms part of the 2022/23 Local Transport Plan. The scheme ties in with the County Council's road safety initiative to introduce reduced speed limits adjacent to all schools in Northumberland provided it is feasible to do so. Anecdotal evidence suggests that measures of this kind adjacent to schools provide a safer environment for all road users.

Concerns have been raised regarding vehicles speeding through the roads situated outside of the school, which presents road safety issues for pedestrians such as schoolchildren, cyclists and those navigating through the route with the risk of collisions occurring.

As a result, a 20 MPH speed limit is proposed to be introduced in order to alleviate these concerns and covers the areas identified below in Figure 1. The measures will consist of new regulatory traffic signs along with road markings in the form of roundels at the entrance of the estate to indicate the new speed limit.

Details of the proposals can be found in Appendix A. They are intended to increase road safety by reducing speed limits and to protect the amenity of the area overall. Northumbria Police, other emergency services and relevant statutory consultees will be notified of these amendments as part of the process for making the permanent Orders.
