Dear Sir/Madam,

## **Proposed Parking Restrictions, Bellingham**

The County Council is proposing new parking restrictions in Bellingham in order to better regulate parking and improve traffic flow. These restrictions consist of the following, as shown on the plan overleaf:

- Double yellow lines in the narrowest section of High Street to prevent parking.
- A loading bay outside No.4 Front Street.
- A one-hour time limit on the existing parking bays outside the Co-op/Country Store.

In addition to the above, the Council also intends to mark out parking bays in Manchester Square and in front of Fountain View so that more cars can be accommodated.

I am therefore writing to ask for your views on these proposals. If you wish to comment please do so via email to [HighwaysProgramme@northumberland.gov.uk](mailto:HighwaysProgramme@northumberland.gov.uk)

Regrettably, it is not possible to reply to individual comments, but you may wish to note that comments may be included in a Decision Report to the Director of Local Services and Housing and may be available for public inspection.

The closing date for any comments you may wish to make is Friday 4<sup>th</sup> March 2022.

Thank you in advance for your participation.

Yours sincerely,

R McKenzie
