Recommendations

Enjoying - "We want you to love where you live"

Learning - "We want you to achieve and realise your potential"

Key Issues

1. Concerns have been raised that indiscriminate parking adjacent to the school was causing safety concerns for road users.
2. This scheme has the support of Local County Councillor, Headteacher Mowbray Primary School and Choppington Parish Council.

Background December 2021

An Experimental Order was prepared and implemented in September 2017 under reference TRO011_63 – South East Northumberland Area (Waiting and Loading) Composite Order 2011 Amendment No 63 Experimental Order 2017.

Full details of these experimental restrictions are included in the following Decision Report and Addendum:

Proposed Additional Parking Restrictions – Various Street around Mowbray Primary School – Signed off 2nd May 2017.

Satellite View – A196 Stakeford Lane Adjacent to Mowbray Primary School Guidepost

Delegated Decision

Following a review by NCC Officers and with support of Local Councillor, Headteacher Mowbray Primary School and Choppington Parish Council, it is proposed to implement the restrictions permanently and unchanged from the Experimental Order and detailed as follows:

- No Waiting At Any Time Restrictions (Double Yellow Lines) on the following sections of highway – Coleridge Drive, Mowbray Court, Sherbourn Villas and Stakeford Lane
- No Waiting Restrictions (Single yellow lines) Monday to Friday 8am to 930am and 230pm to 4pm on the following sections of highway: Sherbourne Villas

These restrictions being made permanent complement the parking restrictions that existed in the area.

Anecdotal evidence suggest that the restrictions implemented in the experimental order, with proactive enforcement, has reduced indiscriminate parking in this area, thereby contributing to a safer environment for all road users.

See Appendix A – Scheme Plan Permanent Restrictions

A196 Stakeford Lane Guidepost – Westbound

This proposal is supported by NCC Parking Services, who have actively carried out enforcement during the experimental period and will continue to do so, once the restrictions are made permanent.

Northumbria Police, other emergency services and relevant statutory consultees will be notified of these permanent restrictions as part of the process for making the permanent Orders.
