Dear Sir/Madam,

### **Proposed 20mph Speed Limit, Main Street, Felton**

Concerns have been raised around excessive vehicle speeds in Felton, particularly when vehicles choose to travel through the village whenever there is any congestion on the A1.

While discussions are on-going with National Highways to determine what actions they can take to try and alleviate this issue particularly around the busy summer Bank Holidays, NCC is proposing to put in a permanent 20mph limit on Main Street as highlighted on the attached plan to ensure all traffic using the route travels at a safe speed.

If you wish to make comments on this proposal, please do so via email to:  
[HighwaysProgramme@northumberland.gov.uk](mailto:HighwaysProgramme@northumberland.gov.uk) **before Friday 4<sup>th</sup> July 2025**

Regrettably, it is not possible to reply to individual comments, but you may wish to note that comments may be included in a Decision Report to the Director of Environment and Transport and may be available for public inspection.

Thank you in advance for your participation.

Yours sincerely,

Paul Armstrong
