STATEMENT OF THE COUNCIL'S REASONS FOR MAKING THE ORDER

The general effect of this Experimental Order will be to amend existing waiting and loading parking restrictions at Marygate, Berwick on an experimental basis.

The reasons for introducing this by way of an Experimental Order are to assess the increase in parking capacity the provision of 10 limited waiting parking bays and 3 loading bays. This follows a consultation and recommendations in the Decision Report 2014.

Consideration will be given after a trial period as to whether or not the provisions of this Experimental Order should be made permanent. Currently, at the end of the trial period, the Council intends to consider making an order which will continue in force indefinitely having the same effect as the Experimental Traffic Regulation Order.

The effects of this Order will be reviewed after 6 months
