STATEMENT OF THE COUNCIL'S REASONS FOR MAKING THE ORDER

The general effect of this Experimental Order will be to introduce a One Way System, 'No Waiting at Any Time' parking restrictions and School Keep Clear parking restrictions on the streets surrounding Ringway Primary School on an experimental basis.

The reasons for introducing these restrictions by way of an Experimental Order is to address highway safety concerns on the streets surrounding the school, whilst monitoring changes in parking behaviour during and displacement of parking once the restrictions have been introduced.

Consideration will be given after a trial period as to whether or not the provisions of this Experimental Order should be made permanent. Currently, at the end of the trial period, the Council intends to consider making an order which will continue in force indefinitely having the same effect as the Experimental Traffic Regulation Order.

The effects of this Order will be reviewed after 10 months
