

## Make a hedgehog!

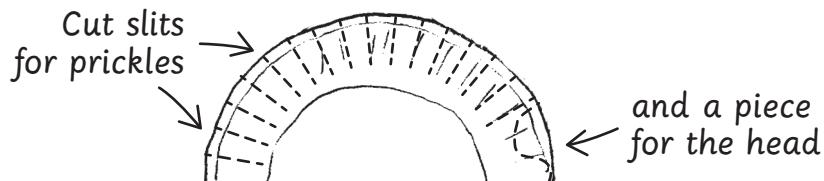

You need a paper plate, scissors, glue, black marker pen and pencil.

Fold the paper plate in half

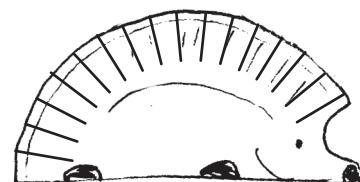

Colour in brown

Glue the inside centre of the plate – but not the edge!

Cut slits for prickles

and a piece for the head

Draw eye, nose and feet with the black marker

## Activities in William Turner Garden Carlisle Park and at School

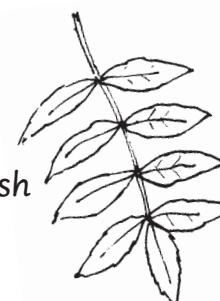

### Leaf hunt

✓ Tick each one you see. Take a photograph if you can!

oak

ash

horse chestnut

holly

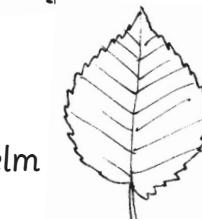

beech

sycamore

hawthorn

elm

birch

Funding from

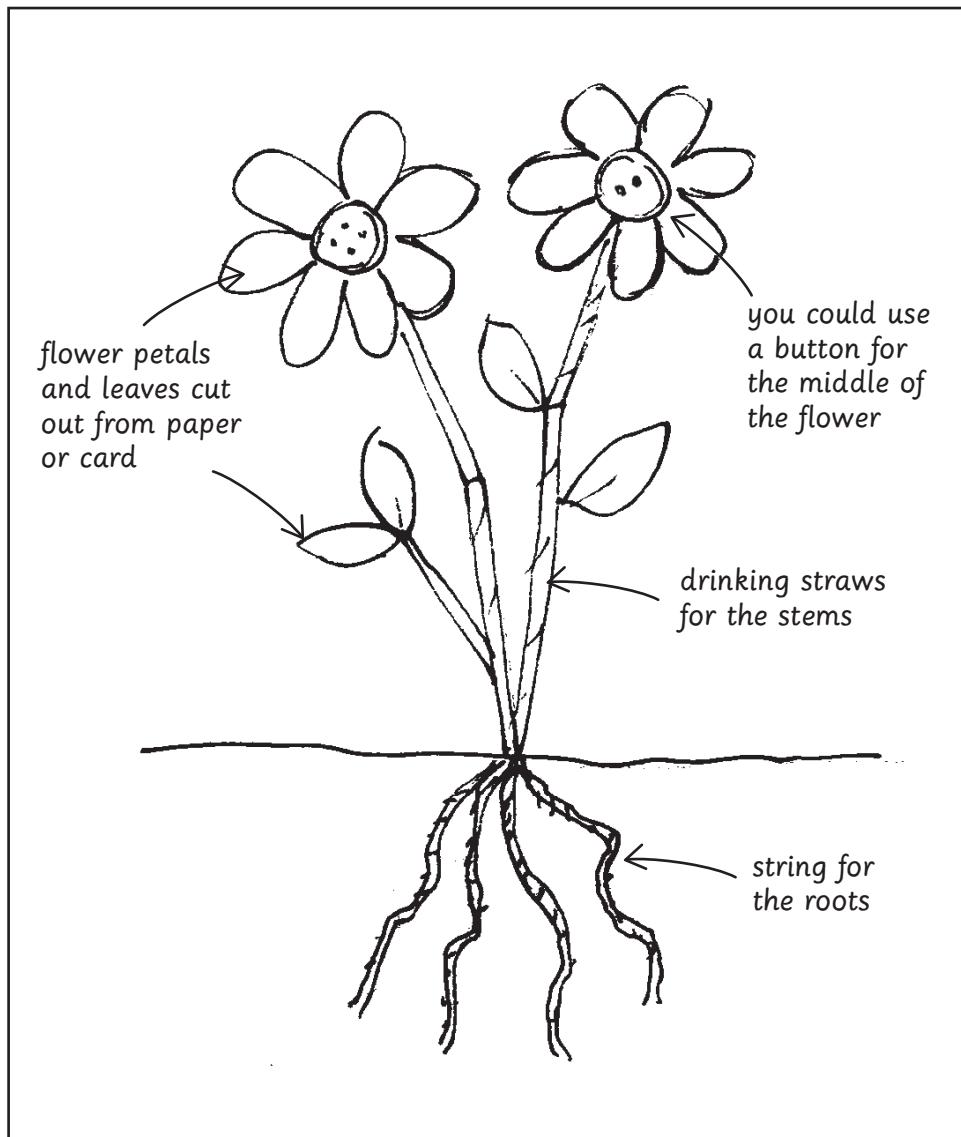

Northumberland  
County Council

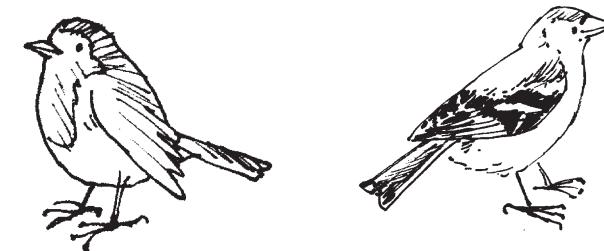

with assistance from Morpeth Town  
Council and KEVI PTA

## Construct a plant

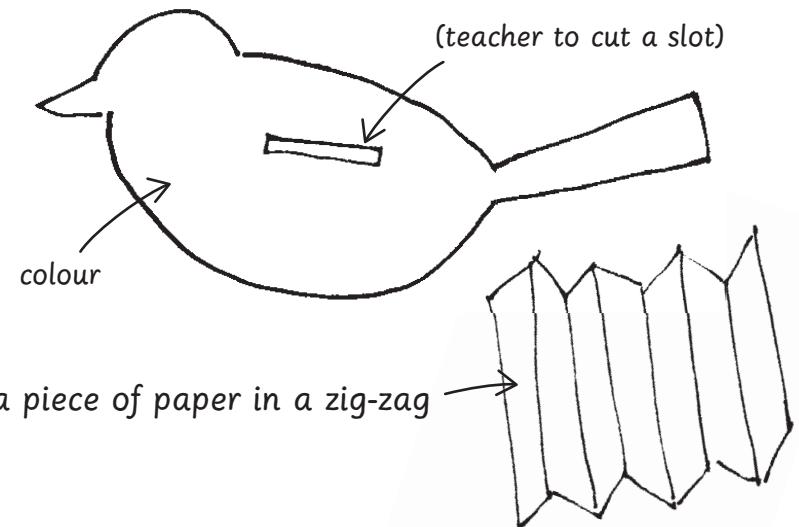

Using string, paper cut outs, buttons, straws and any other material you choose.

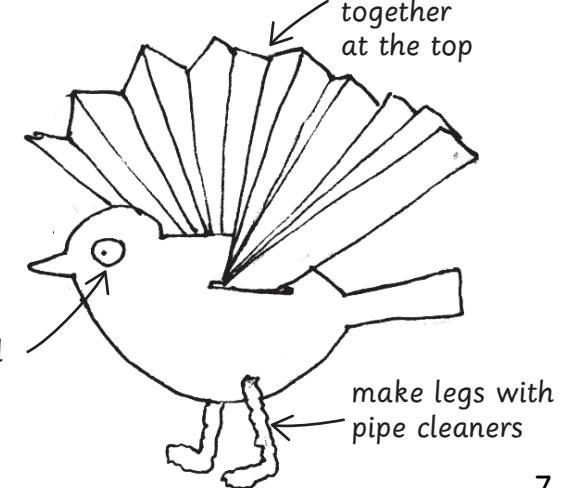

## Make a robin or chaffinch

Cut out shape in card

push the folded paper half way through the slot and bend up to make the wings  
(or use feathers for wings if you can find them – glue them on)

## Choose which you think fits and write it on the line

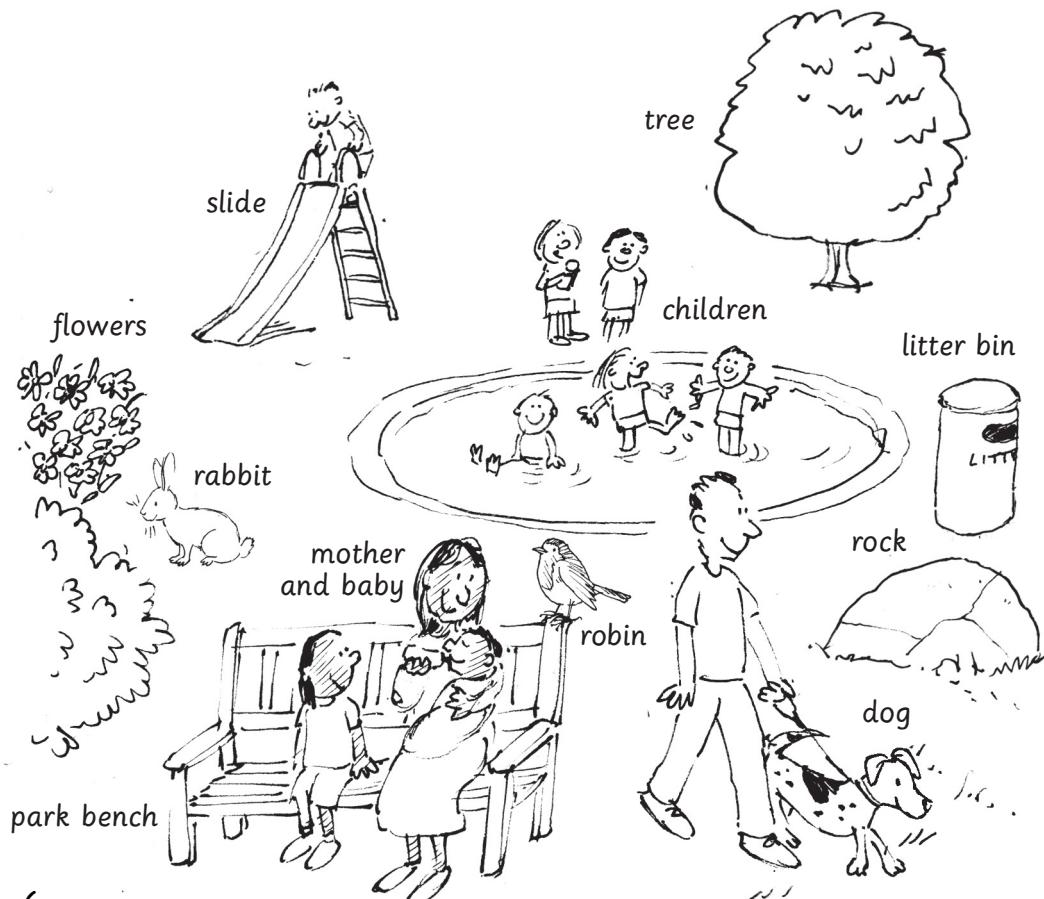

\_\_\_\_\_ moves around      \_\_\_\_\_ grows

\_\_\_\_\_ does not move      \_\_\_\_\_ does not grow

\_\_\_\_\_ eats      \_\_\_\_\_ can have a baby

\_\_\_\_\_ does not eat      \_\_\_\_\_ cannot have a baby

## Find out what plants need to grow

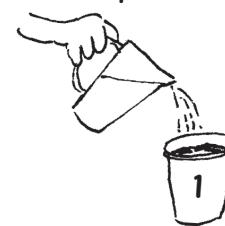

Label pots 1, 2 and 3  
and put soil in each pot.

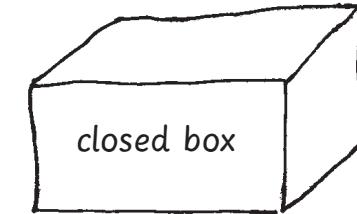

Plant a seed in each pot

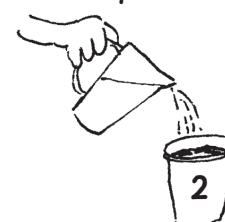

Water pot 1

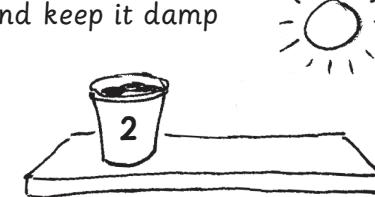

and put it in the dark  
and keep it damp

Water pot 2

and put it on a shelf  
and keep it damp

Put pot 3 on the  
same shelf, but  
do not water it.

Watch what happens.  
What does a plant need to grow properly?  
Plants need w \_\_\_\_\_, s \_\_\_\_\_,  
s \_\_\_\_\_ and a \_\_\_\_\_.  
3.

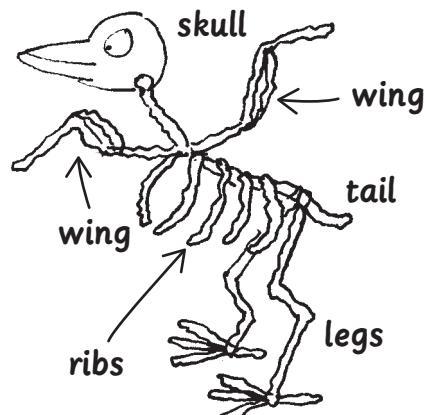

## Build an animal

Each has a skeleton – can you give them their bones and wings?

robin

use pipe cleaners  
for bones, wings  
and legs

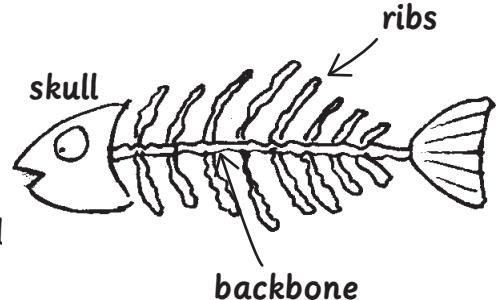

cut out skull  
from white card

fish

use pipe cleaners  
for bones

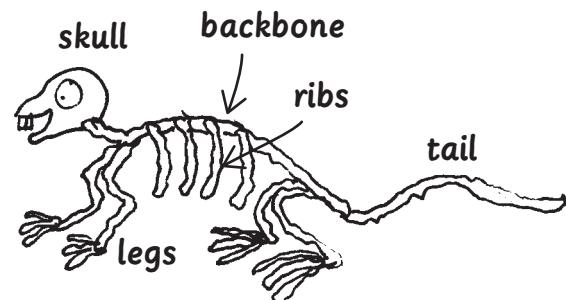

cut out skull and  
tail from white card

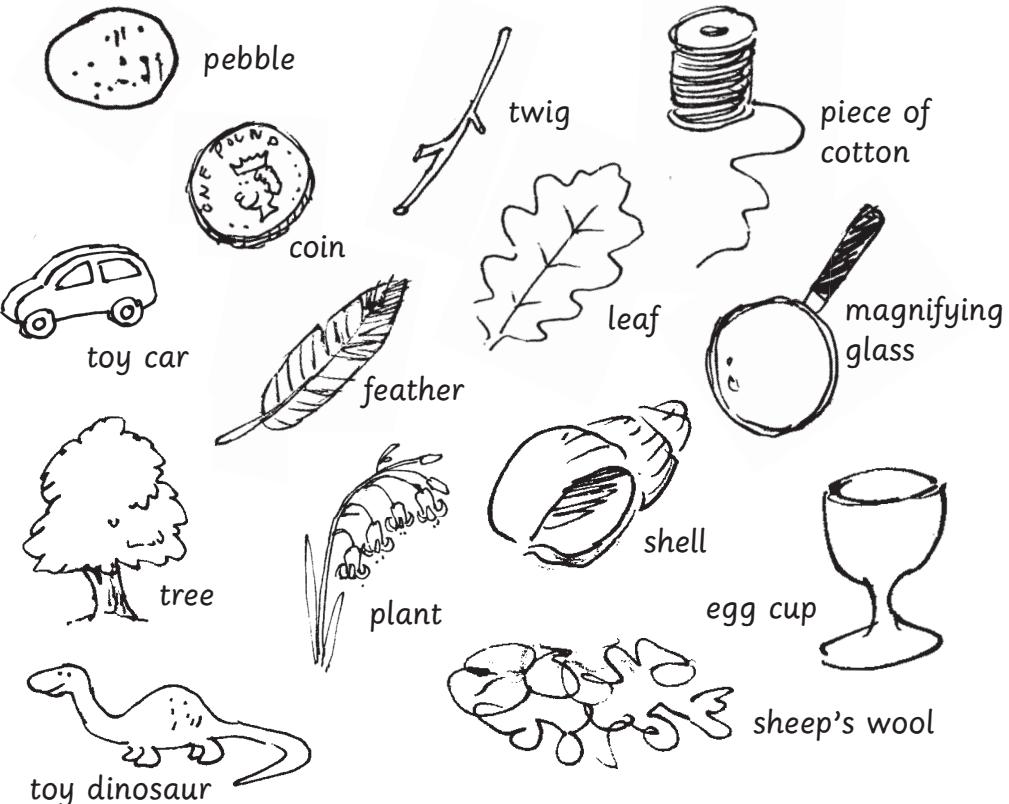

mouse

use pipe cleaners  
for legs, bones  
and tail

cut out skull  
from white card

## Sort some living and non-living objects and those which have never lived

You could put these objects in two sets.

Make a list of non-living objects here

- 1.
- 2.
- 3.
- 4.

Make a list of living objects here

- 1.
- 2.
- 3.
- 4.

What else could you add to the lists?

Can you see something that was living but is not living now? \_\_\_\_\_

Draw or take a photograph of one of the objects that is living and one that is non-living.
